

MORGAN OWNERS GROUP
TORONTO

NEWSLETTER

6
February 1972

OLD HAPPENINGS:

We've had a fair old gap since the last Newsletter with only one "get-together" in between, the "AT HOME" evening with Jean and Doug Painter. Present were most of our regular stalwarts but no new faces. Hope to see more and new Morgan owners and enthusiasts this coming year.

NEW HAPPENINGS:

One or two things in the planning stage at the moment such as:-

If sufficient enthusiasm exists, a weekend is planned at Rathfon Inn, Port Colbourn for early spring or possibly May 24 weekend. This will take the form of a social gathering and overnight stay with dinner etc., at the said hostelry and a leisurely tour of the Niagara region the following day. May be able to coincide this with blossom Sunday in the Niagara fruit belt. Very colourful and some lovely windy roads. Total costs for this weekend will be forthcoming as soon as information is obtained.

At longer range, the International M.O.G. Concours and viewing of the Shaefer 500 will be in July 1st weekend 1972.

Dave Smith and I (Norm Hendrycks) both moved to new abodes at the beginning of December. These new addresses and phone numbers are listed at the end of this newsletter.

Another group gathering of the T.M.O.G. will be forthcoming at Norm's place (as soon as I can get the rec. room finished, hopefully before the end of March).

Doug Price is returning shortly from a lengthy sojourn in Europe, Britain and latterly Australia. In Britain he picked up another Morgan and in Australia he got married, so he's not been completely idle! The above group gathering will hopefully be a "welcome back" do for Doug also.

The "Glidden Tour" for antique and interesting automobiles is at Lake Placid N.Y. for October 9th and 14th.

The "Carp Air Show" is in Ottawa, 3rd weekend of October, with free entry to antique cars. Lots of interesting machines, both in the air and on the ground. "Haven Hill" in Detroit will once again be in October.

ODDS & SODS:

We have gained a M.O.G. car club member from Washington in Tom Farmerie. Welcome to Toronto! He is looking for an older Morgan.

For those interested in refinishing, their Morgans or getting odd jobs done the T.M.O.G. newsletter will start including some useful names and addresses shortly.

Ben Kelter has volunteered to give a talk and demonstration on carburettor and ignition timing one evening. As he is an expert and professionally active in this field, it should be an evening well worthwhile attending. Dave Smith or I would appreciate a call from all those who would be interested.

NEXT MEETING:

Talk, photos and general conviviality are the order of the evening at Ben & Mary Kelter's.

DATE: February 26th, Saturday

TIME: 8.00 - 8.30 PM.

The Morgan Owners Group Toronto "T.M.O.G." is a very social group, with a very long list of Morgan owners and enthusiasts in and around Toronto. We welcome any new people in the area and we wish to inform all interested parties to attend our scenic Sunday afternoon drives around the Toronto area. Pictures, talk, picnics are all a part of these drives. Its a beautiful sight seeing a group of Morgans trailing one another and parked together on a bright sunny Sunday afternoon. Try one or all of our short drives this summer and see for yourself.

Until the next newsletter or when we may meet, this is Norm of T.M.O.G revving away.
