LAST GATHERING:

Dinner at Rathfon Inn was well attended by Morgan owners and interested parties. Following dinner Ben Kelter's 3 wheeler provided many hours of fun, everyone present had an exciting ride in the 3 wheeler wonder. Sunday drive took us to Balls Falls for a picnic.

NEXT OUTING:

June 18, 1972 at Glen Haffy 20 - 25 miles north on Airport Road, for a Sunday afternoon picnic.

All those interested should meet at the "Cara Inn" on Dixon Road just north of the Airport between 12.00 and 1.00 pm. There are barbeque pits available in the park. There is a fee per car to get in \$1.00 or \$1.50.

Pocono Meeting: July 1, 2 & 3.

All those people planning on attending this Morgan gathering (150 Morgans expected & P.H. Morgan and wife) should call M. Geluch on or before June 24. A number of people have requested if groups could be arranged to make the trip so we need to know how many are going and when you plan to leave so arrangement can be made. Last year 4 cars made the trip together, it was great fun. Try it, you'll like it.

We would like to welcome Norm Heryn as our latest Morgan owner, he has a 1970 plus 8.

If you have a special location where you feel you get good service on your Morgan, phone N. Hendrycks Home phone 677-9107 or Business 445-5850 to 5854 so we can pass along this information to those who have not found such a place. We have had many requests for recommendations for service. We hope to publish this information in future news letters.

Car Parts:

If you have any Morgan parts you would like to sell or know of any Morgan or parts for Morgans for sale phone M. Geluch. We can sell parts or cars that you may have or know of and help other members of the club in need of parts or information.
