

MORGAN OWNERS GROUP
TORONTO

November 1, 1972

12

Outdoor Morgan activities are just about drawing their last gasp for yet another year. Hopefully we'll get a spot of Indian Summer, so there's no need to put the Mog in mothballs yet.

The last year has seen a large number of new faces, the majority of whom, turned up on perhaps one occasion only. However, as the number of regular faces slowly increases, we hope, one day in the not-to-distant future, to have the majority of you along to a meeting together.

With this in mind, try and get along to our next little gathering:-

Place.....Norm Hendrycks,
3808 Wyewood Road, Mississauga
(Near Woodbine Racetrack)
Date.....Friday November 17, 1972
Time.....Evening 7.00 P.M. onwards
(contributions to the bar, welcome!)

We hope to get together some film and slides, which may be of interest. Also, we'll get out some rough order of events for next year, hopefully on a larger scale than last year, and with more advance warning.

Norm, who is looking after the "Filing System" (thats' a laugh!) has had a fair amount of correspondence with a number of U.S. Morgan clubs and groups. Those of you in need if technical information will find he has a lot of useful articles and also an ever changing line on bits, pieces and whole cars. We'll start attaching copies of some of these articles shortly.

This year's Great Lakes Morgan Group Dinner at Haven Hill, wasn't attended by anyone from our group. Several bodies planned to go, but the host group had some problems with numbers, so that we unfortunately missed out this year.
