

## MORGAN OWNERS GROUP

March 1973

A score of people turned up for the Saturday night get together at "Maison Smith". The Stevansons even came by Morgan thus putting all others to shame.

Terry Taylor provided another film from Lucas, we thank Terry for suppling these. Slides of some events in 72 were also shown.

Several new faces were in attendance, we hope to see more of you folks in the future.

DATE: 7 April 1973 (Saturday)

TIME: 8:00 p.m.

PLACE: Ria & Stewart Harvey (phone 231-8878)

6 Highgate Road, Toronto 18 (Royal York & Bloor area)

(bring some booze to help out)

HIGHGATE LYNNGROWED AND NOR

1) We propose, once again to make our "Blowing the Mothballs out of the Morgans" weekend, a dinner, overnight stay and Niagara region tour from the Rathfon Inn at Port Colborne.

All those interested in the dinner, accomodations contact Norm Hendrycks, 3808 Wyewood Rd, Malton, L4T-2A2 phone 677-9107 after 6p.m. or 743-8000, 8.30 to 5.00 The weekend to be confirmed when we have an idea of the number of people interested. Possibly around May 26 27.

2) THE 3rd NATIONAL MEET 1973, Pocono Pennsylvania
June 30 weekend,
Consider this event now as bookings for rooms, camping and
registration will be requested in the near future. A host
of Morgans will gather from across the States and Canada.
Last year even though the weather was "mauvais" some 70 or
more Morgans appeared to greet Mr. & Mrs Peter Morgan.
Just think if he will be there again you will have a chance
to meet you "maker".

Included are side trips through the Pocono Mountain Scenery and parties and Indy type car race (Schaeffer 500). One can become involved as much as you wish.

Be prepared to indicated whether you will be going in the very near future as bookings will have to be made early.

## MORGAN OWNERS GROUP

3) July 15th, Ottawa "National Capitol Tour"

Tour of the Ittawa/Hull area, driwing tests, and concours

Have some price lists of component parts from the factory but they are mostly on +8 parts. We will sort out the standard parts and publish the information when completed.

Thinking of ordering parts!

Let us know, if there are a number of us needing parts shipping charges can be kept to minimum and the parts possibly procurred at a reasonable price.
